## Let the Children Come

It is important to have children of all ages participate in our worship services. During the Sacrament of Holy Baptism, parents and sponsors and the whole congregation promise to bring children to worship. Children giggle, they poke, they ask questions, and they swing their legs and wriggle their bodies simply because they are children. We do have a Nursery available at all services that are intended for children from birth through Kindergarten. The **Nursery is staffed at the 10:30 a.m. service of worship**. There is a special time for all children with the Pastor before the reading of the Scriptures for the day (during the 10:30 a.m. Service. Please join us in expressing joy at having children in worship with us and giving prayers and thanks to God for each child's presence.
